

Platter Menu

We have created a selection of gourmet platters to suit our wines.

Using artisanal, local producers, our platters are all about the quality of the ingredients. The flavours are deliberately aimed at matching the wine styles, and give you a little culinary journey across Southern Europe. So please refrain from asking to change. We recommend a platter between 2 to 3 people.

Rillette **\$20**

Duck, chicken and porcini rillettes with baguette and cornichons

Charcuterie **\$30**
